- *For more contact information, please see the Alumni directory*
- *For local chapters, the president and vice president can hold the term forever. However, it is the president's responsibility to identify his/her successor and update the general Alumni in the event he/she needs to step down. Whenever your local chapter has any activity, please distribute the news to the Alumni via the Alumni email net (<http://www.wuda-alumni.org/hbmu/gmails/index.html>). It is extremely important to let the whole Alumni family share your joy, success, or even needs and experience. This way and together the Alumni can survive and thrive.*
